

## The Art Quilt

Playful and joyful  
fanciful and fun  
bright yummy colors  
dance in the sun

Passionate pinks  
luscious grass greens  
bold snappy whites  
zip-zap! in between

Oceans of aquas  
and primary reds  
playing like children  
they intertwine and wed

Moving en masse  
laughter without bounds  
merrily twirling  
and whirling around

Skip, hop and jumping  
and then taking flight  
a visual celebration  
of dazzling delight
